Ji Zhou PhD '14

"Because of the people at Rossier, I am blessed to have had the opportunity to work at two critical issues facing higher education today: diversity and student development in the U.S., and accountability and faculty work in China."

Isabel J. Morales EdD '14

"I am extremely grateful to the Rossier faculty - a consistent source of academic and professional support."

Jonathan Carter Lee MAT '14

"I love Rossier because it helped me to prepare to become a lifelong educator. The professors are caring, and the MAT Program really did a superb job blending theory and practice of teaching. ~Fight On!"

Eboni Renee Martin ME EC '14

"The program has challenged me to view educational issues through an equity lens and it has also taught me to be mindful of my own biases. I am thankful to the faculty and my cohort for making me a more effective advocate and leader for students."
