Through the SC online program, you will gain the knowledge and skills in the following areas:

**College and Career Readiness**
- Support students at all levels and capabilities with the skills and strategies to ensure their future success.
- Take into account the cultural, socioeconomic and emotional factors that influence success.
- Learn to support the range of pathways students take toward their well-being.

**Restorative Justice**
- Help students overcome challenges to their well-being, such as institutional oppression (e.g. poverty and racism), mental illness, and community and domestic violence.
- Employ strategies associated with restorative justice, including facilitating behavior management through accountability and promoting just treatment for all individuals.

**Trauma-Informed Practice**
- Gain an understanding of how physical or emotional trauma can be a barrier to children's success not only in school but also later in life.
- Develop skills that support teaching, learning and interacting in ways that acknowledge the stress that trauma can inflict on the lives of children and adults.

**PUPIL PERSONNEL SERVICES: SCHOOL COUNSELING (PPS-SC) CREDENTIAL**
The SC online program prepares students to be recommended for the a California Commission on Teacher Credentialing (CTC) PPS-SC Credential, which is required to be a school counselor in California. As part of the credential requirements, you must satisfy the CTC Basic Skills Requirement before enrolling (and registering for classes) in the program.

**HANDS-ON FIELD EXPERIENCE**
The SC online program integrates field experience with coursework. You will gain invaluable experience in K-12 schools in or near your own community, applying what you learn in the classroom to real situations affecting children, families and school administrations and the community. You will complete a 100-hour practicum and 700 hours of fieldwork (split between two terms) as part of the degree program.

Students cannot complete field experience outside of the United States. Students living abroad with an upcoming placement term will need to relocate to a state in which we are authorized to operate in order to be assigned a field placement.

What sets the USC Rossier SC online program apart?

EMPHASIS ON HIGH-NEEDS SCHOOLS: Learn to address complex education and social issues in the most challenging environments, preparing you to foster success in any setting.

UNIQUE ONLINE LEARNING EXPERIENCE: Interact with faculty and peers live in a virtual classroom from any location.

HANDS-ON EXPERIENCE: Gain real-world experience counseling students in high-needs schools in your own community.

HOLISTIC APPROACH: Prepare for work in today’s schools through focused study in three key areas—restorative justice, trauma informed practices and college and career readiness.

FACULTY WITH PRACTICAL EXPERIENCE: Learn from seasoned scholar practitioners who bring a wealth of experience into the classroom from their own work in the field.

FLEXIBILITY AND MULTIPLE START DATES: Begin the program on one of three start dates throughout the year and work at your own pace with full-time and part-time options.

PREPARE FOR A CALIFORNIA CREDENTIAL: Become endorsed for a California school counseling credential, which, if earned, can be a competitive factor when applying for reciprocity in another state.

YOUR MISSION AND OUR MISSION ALIGNED

The USC Rossier School of Education prepares leaders to advance educational equity in urban settings and beyond. Ranked as one of the nation’s premier education schools by U.S. News & World Report, USC Rossier draws on innovative thinking and collaborative research to improve learning opportunities and outcomes, address disparities, challenge inequitable systems of power and solve the most intractable problems in education.
